Essence Surf 2011 Price List:

Why Talk To A Shaper?:

So, why get a custom board in the first place? Besides a reduced cost for a new board, our size allows us to work with you one on one and understand what type of board you want. Modifying all aspects of the board to fit you and your style. As a surfer building a relationship with a shaper is key to advancing or just finding that magic board or quiver. We always invite our customers to come into the shop and discuss that board they always wanted. Essence Surf shapers, glassers, and sanders each offers over 10 years of building experience in all board types and is willing to share that expertise with you.

Our Building Philosophy:

Simply put our building philosophy here at Essence Surf comes down to building the best board possible for you. Each board and customer is given personal attention to every last detail of the board in achieving this goal. We stand by our product so that you can stand on our product with confidence!

Essence Surf 2011 Price List: **ESSENCE SURF'S 2011 MODELS**

The "Quasar" was designed as an all in one model.

Tested in NJ fall swell and Hawaii winter swell the Quasar and held fast in chest to overhead conditions primarily as a quad. Tested and modified the board itself combines a low entry rocker, thicker mid section, and rear wing design that allows for easy wave entry and a skate board like feel in the wave. Recommended to be sized at 4-6 inches shorter than the rider this is Surrealg's preferred board and most popular summer/fall model.

Tested NJ Breaks: Bayhead, Manasquan, Sea Girt, LBI(Holyoke).

Tested Hawaiian Breaks: Oahu North Shore: Gums, Pipeline (head high), Hultins (Overhead), Laniakea (Lani's), Leftovers.

Available Size Range: 5'4" - 6'2"

Price Range: \$394 - \$474

Essence Surf 2011 Price List: **ESSENCE SURF'S 2011 MODELS**

Essence Surf's high performance short board The "Misfit" has been developed over the past six years. Essence Surf's most versatile model this board is completely customizable. Also ridden in NJ Fall and Hawaii Winter swell the Misfit holds true in chest to well overhead conditions. The fin configuration, hull design, and tail type are completely the customers choice.

Tested NJ Breaks: Bayhead, Manasquan, Sea Girt, LBI(Holyoke).

Tested Hawaiian Breaks: **Oahu North Shore:** Gums, Pipeline (head high), Hultins (Overhead), Laniakea (Lani's), Leftovers. **Maui:** Unknown break.

Available Size Range: 5'5" - 6'7"

Price Range: \$394 - \$491

Essence Surf 2011 Price List: **ESSENCE SURF'S 2011 MODELS**

Ironical

The "Ironical" AKA: The Beast From The East. Named after its ironic function as a short board for BIG surfers. Developed strictly for easy paddling and can handle from knee high to double overhead conditions. Tested only in Hawaii presently this board is standard as a single, double or triple tail wing design allowing more maneuverability in a larger board. Is there any such thing as catching too many waves? Try the "Ironical" and you might just be saying that.

Tested Hawaiian Breaks: Oahu North Shore: Gums, Hultins (Overhead).

Available Size Range: 7'0" - 7'2"

Price Range: \$485 - \$646

Essence Surf 2011 Price List:

ESSENCE SURF'S 2011 MODELS

The Essence Surf "Classic Cruiser". A streamline slick looking machine built for cruising the line and hanging on the nose. Developed over the past 3 years this board incorporates sleek 50/50 rails,

increased tail rocker and slim tail for that soft long board feel. Available in sizes from 8 ft to 10 ft this board turns with ease while allowing the rider to walk the plank. Resin work and pin lines are buffed to a high gloss. All standard on this model. All you have to do is choose your color. Each is hand built insuring a one of a kind board for you.

Tested NJ Breaks: Manasquan.

Available Size Range: 8'0" - 10'0"

Price Range: \$575 - \$845
